2017 Gala Event
 HONORED FAMILY

September 2015, Natalie and Aria Kudelin were born 17 weeks early at 23 weeks/2 days gestation, weighing 1 lb. 3 oz. and 15 oz., respectively. Natalie's first 147 days were spent in the NICUs of Monmouth Medical Center and Children's Hospital of Philadelphia, while Aria's first 140 days were spent in the NICU of Monmouth Medical Center.

With your support, *Michael's Feat* can continue helping seriously ill newborns in Monmouth and Ocean County, New Jersey.
